

EXCLUSIVE BENEFITS OF ASSOCIATE MEMBERSHIP

NEW MEMBER ADVERTISING INCENTIVE

New Associate members receive one complimentary business card size ad featured in the WMDA/CAR News or a \$100.00 advertising credit that can be used towards purchasing member and non-member direct mailing list or labels, button or tower web ads, or any size ad of your choice in the following publications:

- WMDA/CAR News (monthly)
- Annual Membership Directory & Buyers' Guide (released in mid-summer)

ADVERTISING OPPORTUNITIES

WMDA/CAR offers a variety of ways to market your products and services at reasonable rates.

- The WMDA/CAR News is the area's most effective advertising vehicle in the automotive industry. The WMDA/CAR News includes essential information regarding the automotive industry, legislative issues on a local and a national level, and a monthly editorial. As a marketing professional, you know how effective advertising can be. With a circulation of 1,000, the WMDA/CAR News offers you the very best opportunity to reach your targeted audience at the most competitive rates in the marketplace.
- The Membership Directory & Buyers' Guide is an annual publication that is released electronically and featured in the "members only section" of the Association's website, in the middle of each calendar year. The Membership Directory & Buyers' Guide provides you with a listing of all WMDA/CAR members, complete with owner's name, business name, address, e-mail address, phone/fax numbers, and services rendered. All Associate Members in good standing are listed in alphabetical order in the Membership Directory & Buyers' Guide under the Associate Members listings. WMDA/CAR members use the Directory & Buyers' Guide as their "one book" of information.

The annual Membership Directory & Buyers' Guide is a wonderful advertising tool for any business that is geared toward the automotive aftermarket. The Buyers' Guide portion of the publication enables your customers and potential customers to be informed of the availability of your services. The Buyers' Guide is in alphabetical order by category (refer to publication page for additional information). Advertising by category allows your potential customers to go directly to the products and services that they need.

DIRECT MAIL OPPORTUNITY

As an Associate Member you will be able to purchase mailing lists and/or labels. Labels and lists can be sorted by brand, zip code, service station, repair facility, etc. This service is provided only to Associate Members.

WEB ADVERTISING

WMDA/CAR gives you – the advertiser – direct access to thousands of decision makers in the automotive industry. Unlike most sites, we do not charge you for the number of impressions (the number of times a page is viewed that contains your ad) but for 1, 3, 6 and 12 month blocks of time on our websites – a better value for each advertising dollar. Choose from two sizes of Button Ads that are available on WMDA's website:

- Square Button Ads
- Tower Button Ads

DISCOUNTED EXPO SHOW RATES

WMDA/CAR sponsors a one-day Expo each year. The Expo gathers independent businessmen and women from service stations, repair facilities, convenience stores, and other related businesses seeking the latest in marketing, products, services, equipment, and technology. As an Associate Member you will receive discounts of \$200.00 per booth off the non-member rate.

AREA MEETINGS

As an Associate Member you will be invited to attend Area Meetings held during the first quarter of the year. These meetings, with a small town hall format, include a complimentary breakfast for attendees. They are held throughout counties in Maryland and are intended to inform WMDA/CAR members of legislative issues that affect their county and community; inform members of upcoming events; and provide information about new programs.

Area Meetings provide you with an excellent and informal opportunity to meet with current and potential customers. You are welcome to bring informational brochures for distribution at the registration table, and you will receive a list of attendees.
