The Washington, Maryland, Delaware Service Station and Automotive Repair Association (WMDA), will be publishing its **36th annual WMDA/CAR Membership Directory & Buyers' Guide** shortly. The WMDA/CAR Membership Directory & Buyers' Guide is a tremendous service to all WMDA/CAR members and non-members that own service stations, repair shops, car washes, convenience stores, tire facilities and other related businesses in a tri-state area including Maryland, the District of Columbia and Delaware. The WMDA/CAR Membership Directory & Buyers' Guide is considered the "One Book" of information for the service station and automotive industry. It is also the most resourceful and effective advertising tool that works on your behalf all year.

The WMDA/CAR Membership Directory & Buyers' Guide is sent to over 800 WMDA/CAR members, and new members monthly as they join the Association. The Membership Directory & Buyers' Guide is also used as the primary source of information on the Service Station and Automotive Repair Consumer Hotline.

The WMDA/CAR Membership Directory & Buyers' Guide is setup into two sections – the Membership Directory and the Buyers' Guide:

- **The Membership Directory** lists service station and automotive repair shop owners, as well as suppliers who provide products and/or services to the service station and automotive repair industry. Membership Directory listings include contact names, company names, addresses, phone numbers, fax numbers, websites and email addresses.
- **The Buyers' Guide** is broken down into over 100 category listings from accounting to windshield repair. Category listings allow your company to be listed under the category that best describes your products and/or services. The Buyers' Guide puts you right at the fingertips of the service station and automotive industry. Category Listings include contact names, company names, addresses, phone numbers, fax numbers, websites and email addresses.

Receive **Unlimited Category Listings** with any size ad! Contact Swapna Sripada with any questions at ssripada2@wmda.net, 301.390.0900.
